SUBJECT: FLOOD RELIEF DRIVE

Dear Parent,

Greetings from The Central School Dubai!

Charity begins at home and is further reinforced at school. We at TCS would like our students to contribute to society in meaningful ways during their school life and beyond.

As we are aware, millions of people are affected and highly vulnerable to severe flooding in the Southern and Northern parts of Pakistan. With this in view and to support the survivors, our school is organizing a **Flood Relief Drive** from **14th to 30th September 2022** in coordination with **Emirates Red Crescent and the Department of Islamic Affairs and Charitable Activities, Dubai**.

You are kindly requested to be part of this noble campaign with your generous contribution in the form of cash or kind. If it is in cash, please send the money in an envelope so that your ward will drop into the charity box with the assistance of the class teacher. You can also deposit the money in the Red Crescent donation box kept at the school reception for the purpose.

If your donation is in the form of articles, please go through the chart given below and do the needful accordingly.
