CIRCULAR

VALUE OF THE MONTH: KINDNESS – اللطف

SUBJECT: HEALTH PROTOCOLS

Dear Parent,

Greetings from The Central School Dubai!

We would like to thank you for the continued support during the pandemic. We are still not out of the woods yet and need to be vigilant at all times to keep our children and community safe.

It has been observed that many children are coming without masks to school. **Wearing masks inside the school is mandatory. Kindly send extra masks with the child.**

DO NOT send your child to school if:

1. They have any symptoms like cold, cough, headache, temperature >37.5 , sore throat, blocked nose, runny nose, or body aches.
2. He/she is on medication for any of the above.
3. You're waiting on his/her PCR report.
4. The PCR report is negative but the child is still symptomatic.

In case your child is found to be sick during school hours, the school clinic will isolate the child and inform you to pick them immediately.

Students who have any of the aforementioned symptoms are requested to either undergo a PCR test or submit a doctor's fitness certificate to return to school.

Stay safe always

Regards,

Seema Umar
Vice Principal
