CIRCULAR

VALUE OF THE MONTH: CHARITY - الخيرية الأعمال-

SUBJECT: ISRO – Free Online Course (Grade 5-12)

Dear Parent,

Greetings from The Central School Dubai!

The Central School is glad to announce that The Indian Space Research Organization (ISRO) is offering a free online course through its Indian Institute of Remote Sensing (IIRS) centre and has invited applications for the same. The course named as “**Overview of Space Science and Technology**” will commence from **6th June 2022, till 5th July 2022**. The participants will also be awarded an ISRO certificate after completion of this course.

Space Science and technology are exciting areas for scientists and researchers which has greatly impacted the societal and economic development of any country. It has also attracted the attention of students and young generations to build their career in this advancing domain of science and technology. The overall objective of this course is to provide knowledge and awareness to school students on various aspects of Space Science and technology. Find below the details of the course:

Target participants of the course: School students above the age of 10 years.

Click here for registration: <https://eclass-intl-reg.iirs.gov.in/schoolregistration>

Dates: 6th June – 5th July, 2022

Language: English.

Course Outline: It is a 10-hour course and students will be able to view the online videos in English. Students who have a **70% attendance** and have scored a minimum of **60% in the quiz** will be eligible to get a **certificate from IIRS ISRO**.

Parents are requested to register their ward in order to benefit from the course offered by ISRO.

Regards,

Seema Umar
Vice Principal.
