Date: 03-06-2022

CIRCULAR

VALUE OF THE MONTH: KINDNESS – اللطف

SUBJECT: SPREAD SMILES

Dear Parent,
Greetings from The Central School Dubai!

"Selfless giving is the art of living"

The Central School proudly announces the implementation of a new initiative **'SPREAD SMILES'** by the TCS Student Council with the objective of spreading smile and happiness on the faces of our support staff. The school has arranged a refrigerator which will be placed in the corridor for students and staff to donate packed food and drinks to be enjoyed by those who work hard through the day and make our lives better.

We request every parent to encourage your child to participate by donating at least once a week and instill in them the value of helping those in need which is the way of life for all of us. Your cooperation and commitment at all times to direct school's initiatives towards success is appreciated with high gratitude.

Together we can achieve greater heights.

Regards,

Seema Umar
Vice Principal
