**SUBJECT: STUDENT LED CONFERENCES**

Dear Parent,  
Greetings from the Central School Dubai!

***“Engaging students in the educational process is an integral piece of student leadership and development”***

We are pleased to inform you that our first edition of Student-Led conferences for the academic year 2022-23 is scheduled on the below mentioned dates:

**Grades 1-5 (AN and FN): 27<sup>th</sup> June 2022**

**Grades 6-12 (AN and FN): 30<sup>th</sup> June 2022**

We encourage you to be a part of this endeavor and see how your child takes ownership and responsibility for their learning and engage themselves in the goal-setting and self-assessment process. This conference will provide an opportunity for students to reflect on their successful learning experiences while also assisting them in becoming independent learners and skilled communicators.

We value our students' opinions and views and we look forward to empowering them to reflect on their strengths, identify areas for progress, and share mid-term goals. Please make every attempt to attend these events. It is an excellent opportunity to open lines of communication with your child about their education.

Attendance for the Student Led Conference is mandatory. Further details for the meeting will be shared by the class teacher. Parents who desire to have a longer discussion on any concerns or issues, may make prior appointments with teachers or meet them later. We request you to kindly adhere to the timings given as per the roll numbers by the class teacher. This is a non-instructional working day and there will be no regular school for our students.

Thank you for your continued support and positivity as we strive to do what is best for our students.

Stay safe; Stay healthy; Stay connected.

Regards,

Seema Umar  
Vice Principal
