VALUE OF THE MONTH: CHARITY - الخيرية الأعمال-

SUBJECT: PARENT ENGAGEMENT WEEK
"Collaborating for Success"

Dear Parent,

Greetings from The Central School-Dubai!

Parent involvement is the foundation for student's success and we believe in connecting our homes with the school to make our students a great community of learners. At TCS, parents and teachers come together to create the best possible learning environment for the child and foster physical, emotional and intellectual well-being, so as to make learning effective. In the light of this school is organizing the Annual Parental Engagement Week from 23rd - 27th May 2022. While parent engagement is an ongoing feature throughout the year, this special week is a high point and of tremendous benefit to our school community. This week is the opportunity to showcase the partnership between home and school which we know can strengthen student achievement.

A wide range of activities are planned to enhance learning focus interaction between you and your child. We invite you to participate in as many events as possible so that together we can make it engaging and successful. If interested kindly contact your child's class teacher to book the slot.

Regards,

Seema Umar
Vice Principal.
