**SUBJECT: NGRT (International Benchmark Test) FOR GRADE 1 – 10 (Reminder)**

Dear Parent,

Greetings from The Central School Dubai!

Please be reminded that all the Dubai schools are undertaking NGRT, an International Benchmark Test that allows us to assess and monitor the progress of reading and comprehension skills, benchmarked against the national average. It is mandatory for all students studying in Grades 1 to 10. The test has also been highly recommended by KHDA.

The test is made up of two parts:

Sentence completion that measures decoding with some element of comprehension.

Passage comprehension that measures a range of comprehension skills of increasing difficulty.

The NGRT is getting administered in three cycles. First cycle of the test got over by 21<sup>st</sup> October 2022. The second and third cycles of NGRT will be conducted very soon.

We have requested you through the last circular (Dated: 21-09-2022) to make a payment of AED 65 in order to administer the Test for your child. The amount has been added to the fee for the month of October. We are sorry to point out that a few parents have still not paid the amount. They are once again reminded to make the payment at the earliest (on or before Tuesday 15/11/2022).

Please ignore this reminder if you have already made the payment.

Thanking you for your continued cooperation.

Regards,

Syed Ali Haider Rizvi  
Principal.
