**Subject: Transport Agreement: Acknowledgement Required for using
School Transportation Services**

Dear Parent,
Greetings from The Central School Dubai!

We have received a request from our service provider, Golden Cosmos Passenger Transport LLC, to inform you that transportation services will be temporarily discontinued for those who have not acknowledged the transport agreement. It is mandatory for all students who use the school transportation services to acknowledge the agreement.

To avoid any inconvenience to your child, please visit the transport section at the school administration office and acknowledge the agreement before the **deadline of 30 April 2023**. Failure to acknowledge the agreement may result in your child not being able to utilize the school transport services.

Thank you for your cooperation in this matter.

Sincerely,

Syed Ali Haider Rizvi
