SUBJECT: PETTING THE ANIMALS IN KINDERGARTEN

Dear Parent,

Greetings from The Central School-Dubai!

Experiential learning is an engaged learning process whereby students "learn by doing" and by reflecting on the experience. We are pleased to inform you that in connection with the upcoming theme 'Animal Kingdom' in Kindergarten, we have organized an event with **Posh Paws** on **12th June 2023 for KG1 students and 13th June 2023 for KG2 students**. A variety of adorable animals such as rabbits, hamsters, tortoises, and birds will be brought. Students will have the opportunity to feed, lead, pet and groom the animals under the supervision of highly trained and skilled staff. Each child will be provided with hand sanitizer at the end of their session. **If you would like your ward to take part in the event, kindly fill in the consent slip and send it with 30 AED/- as a charge of the event to your ward's class teacher by the 1st June 2023.**

Please note that this is optional and in case your child is not participating then they will be accommodated by the assistant teachers in the class and students will be shown video of the same in the class.
