KINDERGARTEN - JUNE 2023

Welcome

We look forward continuing to build upon our school goals. We want to wish our little kiddos all the best of luck, as they go into their amazing summer vacation. Now they have successfully completed their first term. We believe our blooming buds will get involved in many summer activities and extra-curricular activities as much as possible during this summer vacation.

We wish everyone a great summer vacation full of fun, learning and excitement.

MISSION

Holistic Education in an Environment Most Congenial and Innovating, Where Virtue Is the Strongest shield.

OUR MOTTO
Virtue Is the Strongest shield.

VISION

Providing Our Best in Education, For As Many As We Can

FROM THE DESK OF HOS

'Together we may give our children to grow and wings to fly'

Dear Parents,

Greetings!

As we move into the end of the first term, we are pleased to share a great experience we had during this month through our parental engagement program, celebrating special activities at TCS!

I wanted to congratulate all our parents, teachers, and students for their planning, involvement and making every event successful. I congratulate Parent Council and Parent Executive members for joining hands to build a strong partnership between the school and parents.

Parents of our Kindergarten 1 students, I request you to make it a daily habit to read a book to your child every day, when you tuck them to bed. This practice will encourage your child to develop a love for books at a young age and this regime will be carried by them for a lifetime. Our Kindergarten 2 readers have started to climb the ladder of Reading! Our budding readers need LOTS of practice

with early text, so please make sure to listen to your child read from his/her book.

Regards

MS. SUPREET KAUR
HEAD OF SECTION

FROM THE SENIOR INSTRUCTOR'S DESK

Dear Parents,

Children are like buds in a garden and should be carefully and lovingly nurtured. As the first term of kindergarten comes to an end, it's time to celebrate their success in the whole term. We appreciate our students' efforts and your support in encouraging and providing a nurturing environment at home.

I take this opportunity to thank all the parents who have unconditionally trusted and supported us. Our aim at TCS Kindergarten is to make learning a fun-filled, enjoyable, and growing experience with the foundation of values. We promise a learning environment which conducive to learning and achievement for all our little champs.

The most awaited moment is on the horizon- and that's our cheerful summer vacation. Most of you have geared up and got ready to back to your home country to visit your dear ones. May you enjoy the holidays to the fullest. We request you spend quality time every day with your child and engage them fruitfully. Encourage students to consume healthy food and drinks and stay fresh in this hot weather. We will be eagerly waiting to receive our student back in school with loads of fun and aspirations.

A happy summer vacation to all!

EVENTS AT GLANCE

MANGO FESTIVAL

It's that time of the year when students celebrate the abundance and deliciousness of the king of fruits 'The Mango'. The students of TCS kindergarten celebrated the mango festival in a delightful manner. The day was filled with enthusiasm, creativity, and, of course, the delectable flavours of mango.

The highlights of this Festival was students' collaborative effort in creating a wide variety of mango-based delicacies such as mango fruit salad, mango lassi, mango cream dessert, mango slices, and mango smoothies. Beyond the festivities and culinary delights, the day also provided students with valuable lessons about entrepreneurship, cooperation, and leadership. This helped them to develop their communication skills, engaged in marketing strategies, and developed a sense of responsibility as they managed the stall all by themselves throughout the day.

MANGO FESTIVAL

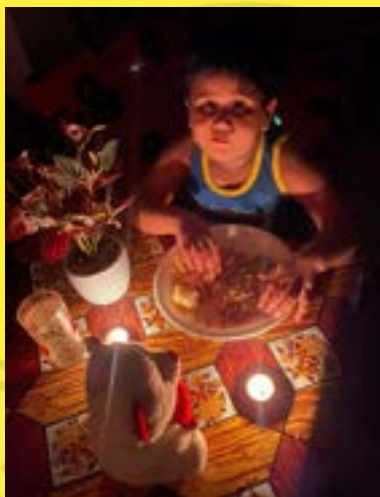

WORLD ENVIRONMENT DAY

Every year, World Environment Day is observed globally on June 5. It is celebrated to mark the importance of nature and the environment. The theme of World Environment Day on 5 June 2023 focused on #BeatPlasticPollution. The Kindergarteners at TCS were involved in various activities such as Planting a tree sapling, making Paper bag activity, Clean-up Campaign and finally a Walkathon on World Environment Day that campaigned # BeatPlasticPollution.

WORLD ENVIRONMENT DAY

MATH WEEK

Students were encouraged to participate in several enrichment activities related to Math. The first Day was filled with math games and treasure hunting of all numbers used in school. On the second day, students were encouraged to take part in the Number Fun Activity with healthy food items. The week concluded with 'Math Fancy dress competition for KG 1' and 'Quiz competition – for KG 2'.

MATH WEEK

EDUTAINMENT

Experiential learning is an engaged learning process where in students “learn by doing” and by reflecting on the experience. In connection with the theme, ‘Animal Kingdom’, Posh Paws was invited to the school and students got an opportunity to explore a variety of adorable animals such as rabbits, hamsters, tortoises and birds. They were encouraged to feed, lead, pet, and groom the animals under the supervision of highly trained and skilled staff.

EDUTAINMENT

INTERNATIONAL YOGA DAY

The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. It enhances physical flexibility. Slow movements and deep breathing increase blood flow and warm up muscles, while holding a pose can build strength. Our kindergarteners mindfully executed the yoga postures with grace.

INTERNATIONAL YOGA DAY

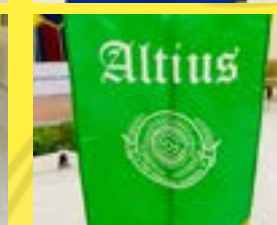

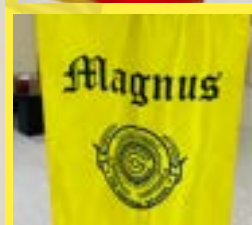

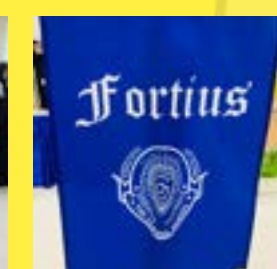

WELLBEING ASSEMBLY

KG INVESTITURE CEREMONY

The Investiture Ceremony of the newly appointed leaders for the academic year 2023-24 was held in our school auditorium on 19th June 2023. The event was presided over by the school Principal, Mr. Syed Rizvi Ali. It was conducted with a high degree of earnestness and passion. All the newly appointed little leaders stood proud, prepared to shoulder their responsibilities with great enthusiasm.

THEMATIC ASSEMBLY - KG 1

"COMMUNITY HELPERS "

Real strength comes with helping others and that's what our students explored this month. KG 1 B and K students conducted an assembly based on the theme 'Let's go to work'.

Students were encouraged to enact as community helpers like doctors/firefighters/policemen. Students got an opportunity to talk about the community helpers, their tools, vehicles used by them, and the emergency contact numbers in UAE.

Kudos to their efforts in conducting such an assembly.

THEMATIC ASSEMBLY - KG 2

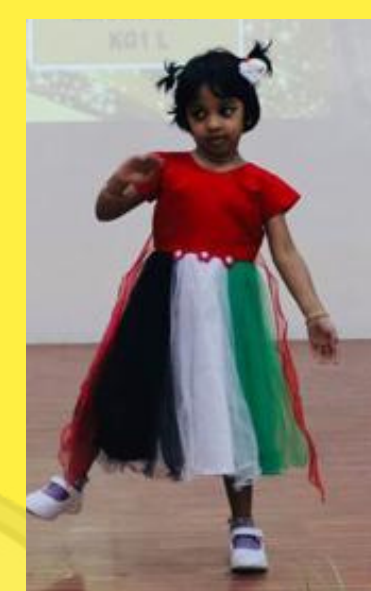

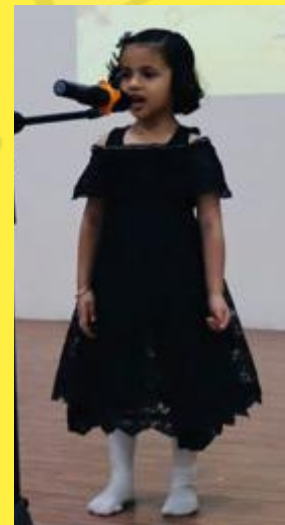

"LIGHT & WATER"

Students of KG2 B/K students took the stage, to throw light on the importance of the theme, 'Light & Water'. Students dressed up in the costumes of light & water and expressed the importance of light & water, their needs, how to save them, etc. Through thematic assemblies' students get an opportunity to showcase their joyful learning in an effective way.

KG TALENT SHOW

TCS Kindergarten conducted a Talent Show on 21st June 2023, that allowed our students to showcase their talents. It helped them build confidence, self-esteem, and social skills. Students sang, danced, narrated the story, and performed gymnastics, etc. The audience was awestruck by the amazing performance of the students.

KG TALENT SHOW

CLASS PARTY

Celebrations marked the beginning of the vacation and an end of a fruitful session. To make the last day special before the summer vacation, a class party was organized on 26th June 2023. Students got an opportunity to create a lot of memories with their friends by playing games, having food, and doing crafts.

We wish a happy vacation for all the students and teachers!!!!
