CIRCULAR: STUDENTS SAFETY AT DISPERSAL TIME

Dear Parents/Guardians,

The safety and well-being of your child is our chief concern. As a part of our commitment, to provide a safe and secure environment for your child, we are implementing measures such that each and every student, especially those who do not use school transport reach home on time, safely after dispersal.

It has been noticed that students of the senior section gather outside the school area after dispersal time without going home, causing unnecessary delay.

We request your support in ensuring that your ward reaches home on time and that such cases, if any are reported to the class teacher, Head of section, or coordinator.

We solicit cooperation in this matter.

Thanks for your understanding.

We look forward to a safe and successful school year ahead.

Warm regards,

Syed Ali Haider Rizvi
