

TCS/GEN/034/2023-24

Date: 30-10-2023

VALUE OF THE MONTH: EMPATHY - العطف

CIRCULAR: HEALTH AND SAFETY

Dear Parent,

Greetings from The Central School Dubai!

As you are all aware our region is undergoing weather change since past few days. This has led to many students reporting sick to school. We would like to request all our parents to refrain from sending your children to school in case they develop symptoms like fever, cold, cough, headache etc. If any symptoms kindly consult the doctor and get them tested in order to keep them safe both at home and school.

Incase students report sick parents will be informed to pick them up from school.

Expecting your cooperation as always.

Stay safe at all times

Regards,

Syed Ali Haider Rizvi
