SUBJECT: END OF ACADEMIC YEAR 2023-24

Dear Parent,

Greetings from The Central School Dubai!

As we conclude this academic year, we express our heartfelt gratitude for your unwavering support and collaboration. Your dedication has been instrumental in ensuring the success of this year, and we truly appreciate your efforts. The trust you have bestowed upon us is invaluable, and we remain steadfast in our commitment to delivering quality education to all our students.

Please note the following details:

Transfer Certificate (TC):-

Those parents who have applied for TC, will be able to collect it post the declaration of results.

Open House (PTC):-

As informed the school will hold Parent Teacher Conference for the Annual Examination on the 23rd of March 2024 between 8:00 am to 1:00 pm for grades 1 to 9 and 11. Please ensure your presence with your ward in order to gain insight on your child's overall performance in this academic year.

Outstanding dues:-

All outstanding dues for the Academic Year 2023-2024 should be cleared by the **15th of March 2024** to avoid any inconvenience. Please note that the names of the students with previous years' outstanding fees will not appear in the class list for the new academic year 2024-2025.

Please note that as stated in the KHDA Parents School Contract, parents need to clear all outstanding tuition and transport fees of their ward on or before **15th March 2024** so that he/she can continue to avail all privileges at school without any interruption. **The school will not be able to re-enroll since we will not be able to get the promotion approval for students for the following academic year 23-24 if the previous fees is not cleared. The school reserves the right to not issue the concerned student his/her progress report and refer the issue to KHDA.**

Please ignore this message if your ward has already paid the tuition and transport fees.

We appreciate your understanding and cooperation in resolving these issues at the earliest, for the benefit of your wards academic development.

Regards,

Syed Ali Haider Rizvi
