## CIRCULAR

VALUE OF THE MONTH: Charity الأعمال الخيرية

SUBJECT: CONDUCT OF PERIODIC TEST 1

Dear Parent,

Due to the unprecedented weather conditions experienced recently, we hereby inform you that the Periodic Test, initially scheduled for the month of May, will be postponed to a later date after the summer break.

The decision to postpone these exams was made in consideration of the significant loss of learning time caused by the adverse weather.

However, we want to assure you that the half-yearly exams will proceed as planned in the month of June. The time frame from now till the half yearly will allow our students to demonstrate their progress and understanding of the curriculum thus far.

The schedule and portions for the half yearly exam will be shared soon.

We will promptly inform you of the new date for the PT1 exams as soon as it is finalized.

Thank you for your understanding and cooperation.

Best regards,

**ADMINISTRATION**
