SUBJECT: SURVEY ON SAFEGUARDING AND CHILD PROTECTION

Dear Parents,

Greetings from The Central School Dubai!

As part of the ongoing commitment to ensuring a safe and nurturing environment for all students in Dubai's private schools, the Knowledge and Human Development Authority (KHDA) invites you, through this survey, [click link](#) to share your insights and experiences regarding safeguarding and child protection by **28, June 2024**.

This initiative is a direct response to the outcomes of recent stakeholder consultation sessions, which were prioritised by the Knowledge and Human Development Authority (KHDA). Your insights as crucial stakeholders in the school community are invaluable in helping us understand how to better support and protect all students.

Regards,

ADMINISTRATION
