HIGHLIGHTS

SCIENCE ASSEMBLY

On 10th October 2024, as part of the Science Week celebration, The Science department of Central School Dubai organized a science assembly aimed at fostering interest in scientific advancements and recognizing student achievements.

The event concluded with an award ceremony where HOS Ms. Nima Pradeep facilitated participants of the Science Week Expo and Science Corner, acknowledging their efforts and celebrating the winners of the NIMS Science Expo. The program was met with enthusiasm and successfully achieved its goal of sparking curiosity and encouraging a passion for science.

GANDHI JAYANTI ASSEMBLY

The assembly provided an opportunity for students to reflect on Mahatma Gandhi's core principles of truth (Satyagraha), non-violence (Ahimsa), and selfless service. Through speeches, multiple orations, and a quiz, students gained a deeper understanding of how these values played a crucial role in India's freedom struggle and how they can be applied in their daily lives. The Principal addressed the gathering, distributed awards and certificates to students who participated in the Climate Conference, and congratulated them on their achievements.

THEMATIC ASSEMBLY

World food day assembly was conducted on October 16th 2024 from 1.00pm -1:40 pm in the Auditorium. During the World Food Day assembly, students conducted a quiz on food security and delivered a speech on the importance of food and sustainable practices. These activities raised awareness about global hunger and responsible consumption. A special highlight of the event was the unveiling of Ms. Prathiba first book cover page. The assembly successfully engaged the school community in important discussions about food conservation and global food issues.

KINDNESS ACTIVITY

“KINDNESS IS A LANGUAGE
WHICH THE DEAF CAN HEAR AND
THE BLIND CAN SEE.”

— MARK TWAIN
