We encourage all students to be creative with their themes and submissions. Please note the articles submitted should be their own creations – plagiarized articles will be outrightly rejected. For all written entries, we request that you also attach a photo of your ward next to their article.

All the entries should be submitted in word document.

Please ensure that you follow the below font guidelines:

This is an amazing opportunity for students to showcase their talent and be published in the school magazine. Please note all entries must be submitted to the subject teachers latest by **12/12/2024.**
