CIRCULAR

VALUE OF THE MONTH: **UNITY IN DIVERSITY** - الوحدة في التنوع

SUBJECT: "RESTRICTION ON INTERNET AND DEVICES USAGE IN SCHOOL PREMISES"

Dear Parents,

Greetings from the Central School, Dubai!

This circular is intended to serve as a reminder that as per **UAE Cybercrime Laws** and the **Ministry of Education's directives**, students are strictly prohibited from taking photos or videos within the school premises or while in school uniform and sharing them on social media. Such actions violate the **school's Code of Conduct and Digital Technology policy** and can result in **serious legal consequences** under **Federal Law No. 5 of 2012 on Cybercrime** and **Law No. 45 of 2021** on privacy protection.

Any violation of the policy will lead to **strict disciplinary action** against those involved. Consequences may include suspension, and/or other measures deemed necessary by the school as per the school disciplinary policy. Students are urged to act responsibly and comply with these rules to avoid such consequences.

To further regulate internet usage and prevent misuse of devices within the school premises, **parents are requested to provide the MAC address of the device used by their child to the respective class teacher for school purposes**. Additionally, parents must ensure that students do not bring any unauthorized devices to school including smartphones. Any unauthorized devices brought to school will be confiscated and returned to the parents by the end of the academic year. Exceptions to bringing a cellphone to school must be informed to the class teacher in advance. These measures have been implemented to strengthen cyber safety and create a secure learning environment for all students.

Regards,

Muhammad Ali
