CIRCULAR: REMINDER FOR SIBLINGS REGISTRATION FOR ACADEMIC YEAR 2025-2026 FINAL REMINDER

Dear Parent,

Greetings from The Central School Dubai!

With immense pleasure, we inform you that TCS has already started with the admission procedures for the next academic year 2025-2026.

The online registration for new admissions for classes KG 1 to Grade 1 (2025-2026) has started from **17/10/2024**. As always, we give preference to the staff kids and siblings of the students currently studying at our School. This is the final reminder to all parents and staff for registering their wards who are siblings of existing student.

Age Requirement: For admission in KG 1, KG 2 and Grade 1, the age requirement guidelines laid by KHDA states that the child should complete four, five and six years respectively by 31st March 2024.

As we are receiving many registrations from general category, we hereby request all parents and staff to complete the registration of their wards **on or before 10th December 2024**, post which we will start admission from the general category and the siblings' status will not be considered.

Admission Process:

1. Fill the Online registration form on the school website and submit.
2. After submission, you will get an auto-generated email with a temporary registration number. Upload the necessary documents using the link shared in the mail. This is mandatory.
3. The school will contact you to schedule an interview and assessment test.
4. Bring your child at the scheduled time for their interview and/or assessment test with all the supporting.
5. Pay the Registration Fee of AED 100 at the school cash counter (only after 15th November 2024) and attend the assessment.
6. Based on the review of the assessment result and seat availability you will be offered a place and you can proceed for confirming the seat by paying the first term fee on the same day.
7. Complete the admission procedure by making a fees payment for the term 1.

*Note: → Kindly be advised that online registration is mandatory for initiating the admission process.
→ Registration does not guarantee admission & is subject to the interview/test result and availability of seats.
→ The registration fee payment is mandatory to get the entrance test schedule and is non-refundable.
→ The child can attend the classes only after KHDA registration and signing the parent school contract.

We look forward to continue our great association with you.

Regards,

Muhammad Ali
