

**Subject: Seasonal Influenza Vaccination Campaign 2024/ National Seasonal Flu Awareness Campaign**

Dear Staffs/ Parents/ Guardian

Greetings,

The National Seasonal Flu Awareness Campaign under the slogan "**Protect Yourself... Protect Your Community**," we are pleased to inform you that the Dubai Health Authority (DHA) is organizing a seasonal flu vaccination campaign for the private schools across the Emirate of Dubai.

The campaign will cover all categories of **school staff, including medical, educational, and administrative personnel, parents/guardians and families** as well anyone who has direct contact with students. The **Vaccination is Free** for all the above categories with **compulsory Emirates ID**.

**FLU VACCINE IS NOT FOR STUDENTS- ONLY FOR STAFFS, PARENTS**

In order to enhance prevention and facilitate access to the vaccine for all in the school community, the scope of the campaign has been expanded to include parents and any family member wishing to receive the vaccination on campus through the same campaigns held for school staff.

Date of Vaccination: November 26,2024

We kindly request all the parents to fill the google form link below for taking vaccines from School(Parents only). Please find the attachment from DHA as well.

Please provide the emirates Id details in google form **no later than November 22, 2024**
