SUBJECT: Immediate Dispersal of Students After School

Dear Parents,

Greetings from The Central School Dubai!

We kindly request your cooperation in ensuring that students using **own transport**, (private vehicles, bicycles, or by walking) **leave the school premises immediately after the dispersal**. Students should not remain here or near the school for an extended period after school hours.

There have been **some social concerns in the surrounding areas**, and we want to ensure that our students do not get caught up in any unfavorable situations. For their **safety and well-being**, we urge all parents to take this matter seriously and instruct their children to **return home as soon as possible after school dispersal**.

Your cooperation in this matter is highly appreciated. Let us work together to ensure the safety of our students.

Regards,

Muhammad Ali

Principal
