

## Annual Report 2024-2025

"The only person who is educated is the one who has learned how to learn and change." - Carl Rogers

At The Central School, Dubai, we believe in nurturing young minds through an enriching academic experience that fosters critical thinking, creativity, and holistic development. Our commitment is to empower students to realize their full potential and equip them with the skills and confidence to face the future with determination and resilience.

We extend our heartfelt gratitude to our founder, whose visionary leadership has laid the foundation for the success we celebrate today. Our school, built on the core values of PRESIDE—Perseverance, Responsibility, Excellence, Spirituality, Innovation, Dedication, and Empathy—continues to thrive because of the collective efforts of our students, teachers, and parents.

This year has been a testament to our collective dedication and perseverance. From academic excellence to extracurricular achievements, our students have continued to shine in all spheres, setting new benchmarks for success. Guided by our core values and an unwavering commitment to quality education, we have embraced challenges and transformed them into opportunities for growth.

We take immense pride in celebrating the accomplishments of our students, teachers, and the entire school community. Their relentless efforts and passion for learning have made this academic year remarkable. With great pride, we reflect on the achievements of our students from Grades 10 and 12 in the academic session 2023-2024.

## School Activities

This year, we had the privilege of organizing a wide array of exciting and impactful activities that contributed to the holistic development of our students. These activities were designed to nurture perseverance, resilience, creativity, and teamwork, all of which are essential for shaping well-rounded individuals. Highlights of the year included the Green Legacy initiative, the Climate Conference, and Entrepreneurship Day, which encouraged students to collaborate and boosted their financial literacy.

Our Science Week was a particular highlight, with activities like Science Charades, which helped students develop their scientific vocabulary enjoyably and interactively

. During Math Week, we organized a thrilling Treasure Hunt and a Sudoku competition to foster problem-solving skills among students.

On Children's Day, we hosted a Talent Hunt to showcase the hidden talents of our students, and Teacher's Day was celebrated with great enthusiasm through a vibrant series of events presented by our student council.

In line with our commitment to promoting cultural awareness, we embraced multi-cultural celebrations such as Onam, Eid, Pongal, and Diwali. These events helped enrich our students' understanding of India's diverse cultural heritage.

Our graduating students were actively engaged in career counseling workshops and fairs, which provided valuable insights into potential career paths.

Additionally, our students demonstrated their commitment to social responsibility by participating in various community activities, including volunteering projects, charity drives, and the SMILE refrigerator initiative, among others.

These events and activities have played a significant role in the overall growth and development of our students, and we are excited to continue fostering such opportunities in the years to come.

## Gratitude

As we reflect on another successful year at The Central School, we would like to express our profound gratitude to everyone who has been part of our journey. Our sincere thanks go out to the passionate staff, dedicated teachers, hardworking students, and supportive parents, whose commitment and collaboration have made this year memorable. Your unwavering dedication to fostering a culture of learning, growth, and kindness has been at the heart of our accomplishments.

We are deeply grateful for the trust, encouragement, and partnership we receive from our wider community, which continually inspires us to reach new heights in education. Together, we have built an environment where every student thrives.

With great anticipation, we look forward to the upcoming year, eager to continue our collective progress and to offer even more opportunities for our students to excel and grow.
