SUBJECT: RE-REGISTRATION FEES 2025-26: REMINDER -2

Dear Parents,

Season's greetings from The Central School, Dubai!

This is a gentle reminder regarding our circular on re-registration. It's noticed that a few more parents have to complete the process of re-registration. Kindly note that the re-registration window for the academic year 2025-2026 will be closing on March 20, 2025.

To ensure your child secures his/her seat in 2025-26, please keep the following points in mind.

1. Re-Registration Fee Payment:

- The re-registration fee of AED 500 should be paid on or before March 20, 2025.
- Those who complete re-registration before this deadline can only apply for the monthly payment plan.
- Please note that this fee is non-refundable but will be credited towards the first installment for the academic year 2025-2026.
- Payments can be made through Skippy (please allow 24 hours for processing).

2. Choosing a Fee Payment Plan:

- Parents who wish to continue with / choose the Monthly Payment Plan/Term Plan need to submit the necessary application form during the re-registration period.
- The Monthly Payment Plan is available only to parents who had no defaults in the previous academic year (2024-2025).
- Applications for the Monthly Payment Plan will not be accepted after March 20, 2025.

3. Key Deadlines:

- **March 20, 2025**, at 3:00 PM: Deadline for re-registration.
- **From March 21, 2025 to 6th April**: Parents who could not re-register will be required to pay the full first-term fees to secure the seat for their children.
- April 15, 2025: Deadline for term fees or monthly installments from those who re-registered by paying AED 500.
- March 20, 202

Please remember that failing to complete the re-registration process within the allotted time may lead to the loss of your child's seat for the upcoming academic year.
