SUBJECT: Clearance of Pending Fees (Academic Year 2025–2026)

Dear Parent/Guardian,

Greetings from The Central School, Dubai

As the Academic Year **2025–2026** is coming to an end, we kindly request all parents to clear any pending fees for the current academic year to ensure the smooth academic continuity of their children.

Please note that the **re-registration date was 5th March**, and the re-registration process has now been closed.

Parents who have successfully completed the re-registration may proceed with the payment of fees for the upcoming **Academic Year 2026–2027**. Those who have not re-registered are required to pay the **Term 1 fee**.

However, all parents are required to clear the pending fees for the current **Academic Year 2025–2026 before 13th March 2026**, in order to attend the **PTM** and ensure continuity for the child in the school.

Please note that **results will be issued only after the clearance of all outstanding fees**.

We request your urgent attention and cooperation in settling the dues at the earliest to ensure smooth academic continuity for your child.

Regards,

PRINCIPAL
