

Annual Report 2025-26

“The educated individual is one who continues to learn, embraces change, and nurtures both intellectual growth and personal well-being as essential dimensions of a meaningful life.”

The Central School, Dubai, we are guided by our vision to ignite the potential in every child through holistic education, nurturing them to learn with curiosity, live with integrity, and thrive as responsible global citizens, united by respect, belonging, and a commitment to excellence. In alignment with this vision, our mission is to provide an inclusive, student-centred, and challenging learning environment that fosters academic excellence, character development, and well-being. Through holistic and experiential learning experiences, we cultivate critical thinking, open-mindedness, and resilience, grounded in strong ethical values and integrity. In close partnership with parents and the wider community, we empower students to become confident, compassionate, and responsible individuals who contribute meaningfully to a diverse global society and are well-prepared for lifelong learning and success.

Rooted in these guiding principles, we are committed to nurturing young minds through a rich and engaging academic experience that promotes creativity, inquiry, and holistic development. Our focus remains on empowering students to realise their full potential while equipping them with the skills, confidence, and resilience needed to face future challenges with determination.

We extend our sincere gratitude to our founder, whose visionary leadership has laid the strong foundation for our continued success. Built on the core values of PRESIDE—Perseverance, Responsibility, Excellence, Spirituality, Innovation, Dedication, and Empathy—our school continues to thrive through the collective efforts of our students, teachers, and parents.

This academic year has been a true reflection of dedication, perseverance, and shared purpose. From academic excellence to achievements beyond the classroom, our students have excelled across all areas, setting new benchmarks for success. Guided by our vision, mission, and core values, we have embraced challenges and transformed them into meaningful opportunities for growth.

We take immense pride in celebrating the accomplishments of our students, teachers, and the wider school community. Their commitment, passion for learning, and determination have made this academic year truly remarkable. With particular pride, we acknowledge the achievements of our Grade 10 and Grade 12 students in the academic session 2025–2026.

School Activities

This year, we had the opportunity to organize a diverse range of engaging and meaningful activities that greatly supported the holistic development of our students. These initiatives were thoughtfully planned to foster perseverance, resilience, creativity, collaboration, and critical thinking skills essential for developing confident and well-rounded learners. Key highlights of the year included the Green Legacy initiative, and Entrepreneurship Day, all of which encouraged teamwork, active participation, environmental awareness, and enhanced students' financial literacy and real-world learning experiences. These events and activities have played a significant role in the overall growth and development of our students, and we are excited to continue fostering such opportunities in the years to come.

Phase 4

Our graduating students were actively engaged in career counseling workshops and fairs, which provided valuable insights into potential career paths.

Our graduating students benefited from a rich calendar of career-focused initiatives designed to broaden their horizons and support informed decision-making about their futures. A standout event was Prospect's '26, an interschool career fair hosted by the school, where 19 reputed universities engaged students and parents in focused conversations around higher education and career planning. Beyond the school, students participated in external platforms such as university connect programs and the Khaleej Times Education Expo, gaining valuable exposure to diverse academic pathways. Experiential opportunities such as the SEED Summer Camp 2025 further enriched students' learning, particularly for those exploring fields like Psychology. Alongside career development, the school remained deeply committed to student wellbeing, with dedicated sessions held during Mental Health Awareness Week to motivate students and equip them with the resilience needed to excel academically and personally.

Phase 3

During the academic year, many activities were conducted for the students of Grades 6 to 8. These activities helped students improve their confidence, creativity, teamwork leadership and social skills.

The activities started with the celebration of Earth Day on 22nd April. Students took part in activities to understand the importance of protecting the environment. A Sudoku Competition was conducted from 23rd April to 24th April to improve students' thinking and problem-solving skills.

The school celebrated Founder's Day Week from 5th May to 8th May with different programmes, competitions, and special assemblies. Students participated actively and learned about the values and vision of the institution.

Science Week was conducted from 19th May to 22nd May. Students participated in science experiments, quizzes, and presentations, which helped to increase their interest in science.

Mother's Day was celebrated on 13th May to show love and respect for mothers. Arabic Traditional Food Day was conducted on 10th June to help students learn about Arabic culture and traditional food.

Environment Day was also observed through activities that created awareness about keeping the environment clean and safe.

Teachers' Day was celebrated on 5th September with programmes and performances to thank teachers for their support and guidance. Students also enjoyed the Onam Celebration on 12th September with traditional dress, cultural programmes, and fun activities.

The school conducted the Investiture Ceremony to appoint student leaders and encourage responsibility and leadership among students.

Entrepreneurial Day was conducted on 9th September with active student participation. During Entrepreneurial Day, students showcased their entrepreneurial skills, creativity and business ideas with great enthusiasm.

Kerala Piravi was celebrated on 3rd November to introduce students to the culture and traditions of Kerala. Children's Day on 13th November was celebrated with fun activities and entertainment programmes.

An Edutainment Trip was organised on 21st November to give students enjoyable learning experiences outside the classroom.

The school celebrated Sports Day on 11th December. Students participated enthusiastically in different sports events and displayed teamwork and sportsmanship.

The school also organised the Annual Day, where students showcased their talents through cultural performances. The Fun Fair conducted on 27th November was enjoyed by students, parents, and teachers through games, food stalls, and entertainment activities.

A special Ramadan Assembly was conducted on 19th February to spread the values of kindness, sharing, discipline, and respect.

Overall, all the activities conducted during the year helped in the overall development of students and made learning enjoyable and meaningful.

Phase 2

Empowering Young Minds Through Experiential Learning and Holistic Development

This year, we had the opportunity to organize a wide range of enriching and impactful activities that greatly supported the holistic development of our students. These initiatives were strategically planned to cultivate perseverance, resilience, creativity, collaboration, critical thinking, and leadership skills that are essential for developing confident and well-rounded learners. Key highlights of the academic year included Entrepreneur's Day, Science Week, the English Recitation Competition, International Peace Day, and World Food Day.

Entrepreneur Day was collaboratively organized by the Mathematics and MSCS Departments. During the MSCS activity, students showcased and sold cultural monuments while using the currency of the respective countries, which enhanced their understanding of global cultures and financial concepts. In Mathematics, students sold healthy food items and gained practical knowledge about profit and loss.

Similarly, World Food Day was organized to promote awareness about healthy eating habits and financial literacy. Parents actively participated alongside their children in selling food items, creating a strong connection between school learning and real-life experiences.

Science Week provided students with an exciting platform to explore scientific concepts through quizzes, model displays, and presentations. Students dressed up as famous scientists and confidently explained their achievements and contributions. They also presented scientific models and demonstrated their functions, which enhanced their research, presentation, and critical thinking skills.

The English Recitation Competition was another remarkable event in which selected students from Grades 1 to 5 recited self-written poems. This activity greatly enhanced students' creative writing, confidence, and public speaking abilities while encouraging self-expression through language.

To commemorate International Peace Day, students participated in a Peace Walk while carrying awareness posters promoting harmony, unity, and peace. This activity helped students understand the importance of tolerance, empathy, and peaceful coexistence within society.

Overall, these enriching experiences played a vital role in promoting experiential learning and developing students academically, socially, and emotionally. The enthusiasm and active participation of students, parents, and staff made these events highly successful and memorable. We look forward to continuing such meaningful initiatives in the future to inspire lifelong learning and personal growth among our students.

Foundational Excellence: PHASE 1

Milestone Academic & Operational Triumphs

100% Flawless Regulatory Compliance: Accomplished an unblemished, absolute 100% successful KHDA registration rate across all academic terms for our entire Kindergarten student body.

Peak Curriculum Delivery: Attained the highest possible Rating of 5/5 for curriculum and syllabus completion, meeting 100% of foundational learning timelines ahead of schedule.

Robust Foundational Footprint: Successfully managed and sustained a massive early-childhood learning cohort, welcoming 997 students at the start of the academic cycle and concluding with a highly stable base of 950 future graduates.

High-Impact Parental Synergy & Engagement

"Phonics in Action" Showcase: Celebrated early literacy milestone success with our landmark parent-inclusive showcase, directly demonstrating student reading progression and phonetic mastery.

Digital Literacy Leadership: Spearheaded specialized parent orientation workshops to track and optimize early-learning usage metrics on key digital vendor platforms, including, *Level Up*, and *First in Math*.

Grand Kindergarten Graduation & PTMs: Successfully executed the annual Kindergarten Graduation Ceremony to celebrate transition readiness, backed by an exceptional turnout across our structured, two-phase Parent-Teacher Meetings.

Strategic Interventions & Quality Reinforcements

Proactive Attrition Management: Countered neighborhood-shifting and family relocation trends through immediate, proactive parent-retention feedback initiatives led by the Head of School (HoS) to deepen school-home loyalty.

Instructional Quality Upscaling: Responding dynamically to the school's Mock Inspection insights, classroom standards were elevated using advanced continuous professional development (CPD), peer-led *Buddy Teaching* models, and collaborative observations.

Optimized Learning Infrastructure: Supported everyday student success with a highly efficient, specialized staffing model.

Gratitude

As we reflect on another successful year at The Central School, we extend our sincere gratitude to all stakeholders who have contributed to our shared success. Our heartfelt appreciation goes to our dedicated staff, committed teachers, diligent students, and supportive parents, whose collaboration and commitment have made this year truly memorable. Your continued efforts in fostering a culture of learning, growth, and kindness have been central to our achievements.

We are equally grateful for the trust, encouragement, and strong partnership of our wider school community, which continually inspires us to strive for excellence in education. Together, we have created a nurturing environment where every student is empowered to thrive and reach their full potential.

As we move forward, we look ahead with optimism and enthusiasm, eager to build on our progress and continue providing enriching opportunities that enable our students to learn, grow, and excel.
