VALUE OF THE MONTH: **KINDNESS** اللطف

SUBJECT: Bring Your Own Device (BYOD) Guidelines for Digital Learning

Dear Parent,

Greetings from The Central School Dubai!

As part of our digital learning initiative, The Central School utilizes **Google Workspace for Education**, including Google Classroom, Google Meet, Google Drive, Google Docs, and other educational applications to support teaching and learning.

Parents are requested to ensure that any device purchased or provided for educational purposes complies with the school's **Bring Your Own Device (BYOD) Policy** and is fully compatible with the digital learning platforms used by the school.

Device Requirements

Students are advised to use:

- Devices that support Google Mobile Services (GMS) and educational applications required by the school.
- Devices compliant with UAE telecommunications and educational technology standards.
- Devices with adequate screen size and performance suitable for academic learning.

Please note that devices that do not support the required Google educational applications may experience limitations in accessing online classes, assignments, learning resources, and school communication platforms. Parents are therefore advised to verify compatibility before purchasing any device.

Important BYOD Guidelines

- Tablets or larger-screen educational devices are recommended for learning purposes.
- Mobile phones are not permitted for regular classroom use unless specifically authorized by the school.
- Students must use only their official school-provided email accounts for academic activities.
- Personal mobile data, hotspot sharing, and unauthorized communication services are prohibited during school hours.
- Students must follow all school policies related to digital safety, cybersecurity, and responsible technology use.

Student Safety and Responsible Use

Students must:

- Use devices only for educational purposes as directed by teachers.
- Protect their passwords and personal information.
- Refrain from accessing inappropriate content or attempting to bypass school security systems.
- Avoid unauthorized photography, audio recording, video recording, and misuse of social media.

Parent Responsibility

Parents/Guardians are responsible for:

- Ensuring the suitability and compatibility of student devices.
- Supervising responsible technology use at home.
- Educating students about cyber safety and digital citizenship.
- Ensuring compliance with the school's BYOD Policy.

We appreciate your cooperation in supporting a safe, secure, and effective digital learning environment for all students.
